 12/06 Observed Jim Sinkov outside of medical & SLS of withdrawal.  
 11pm Jim was in good spirits and was laughing and joking around.  
 Gait steady, no complaints offered at this time. Sgt. Watersen  
 1:53pm Received phone call to go to room, arrived at room  
 cell #7 and observed inmate hanging from outer bars,  
 left of cell door. Inmate appeared very pale and ashen  
 in color. Inmate cut down by C. Bat which time  
 he fell to the floor. I instructed Sgt. Jackson  
 to call 911. Cell gate was opened and I  
 proceed into cell. I assessed inmate for pulse  
 and respirations at which time there was none.  
 Inmate's eyes were open, fixed and dilated. Saliva was  
 noted coming from this mouth. I began CPR  
 & help from Officer Bertley and Officer Wendover.  
 CPR was continued & Oxygen. I continued  
 to reassess for pulse and respirations. approx  
 2:06pm paramedics arrived and took over the  
 scene. 2:06pm paramedics determined that inmate  
 was asystole. HSA, Rich DeMatteo & Mr. Duffly  
 Notified at this time. Susan Waters
